Accommodation information for visitors to Poole YC

This information explains some of the options available for accommodation in the vicinity of Poole YC. If you need any further advice, please don't hesitate to ask and we'll do our best to point you in the right direction, contact details are shown below.

Self Catering Apartments

Poole YC is situated on the shore of Poole Harbour in the Hamworthy district of Poole. There are a number of recently constructed apartments within a few minutes walking distance of Poole YC and a new footbridge over a railway line (almost disused) gives easy access to the club. They're not quaint stone cottages that we have become accustomed to, but they are modern and some have balconies overlooking Poole Harbour. An example of an apartment overlooking Poole YC, just to get a flavour is:

When searching the internet, look for accommodation close to Hamworthy Park.

Motorhomes and small caravans

Poole YC has extensive car parking and boat storage facilities and is able to accommodate a number of motorhomes and small caravans on site. **The number is limited so if you would like to book a place, please register your interest with us.** Currently the club charges £15.30 per night for which you have use of the club facilities (toilets, showers, bar, club house).

Static Caravans

Just out of comfortable walking distance is Rockley Park:

- Rockley Park, Hamworthy, Poole, Dorset, BH15 4LZ

On board boats in Poole YC marina

Poole YC has its own marina and a few Poole YC members have indicated that they may use boats berthed in the marina as their accommodation for the week. **If you would like to be considered for accommodation on board a boat, please register your interest with us and we will enquire if there are any boat owners willing to let their boats be used as accommodation.**

If you have your own cruiser and would like to bring it to Poole YC for the week, please contact details below.
